Objective:
Highly skilled and results-driven **Senior Flutter Developer** with 5+ years of experience designing, developing, testing, and deploying robust mobile applications. Proven expertise in collaborating with cross-functional teams, optimizing performance, and ensuring responsiveness across platforms. Passionate about implementing innovative ideas and improving development processes. Seeking a challenging role to drive high-quality mobile app delivery and elevate user experiences.

Professional Experience

Mobile Team Lead (Part-Time)   *Jan 2023 – Present*
Business2Code

- Developed, tested, and deployed high-quality Flutter applications for various clients, ensuring performance and responsiveness.
- Collaborated with cross-functional teams to define, implement, and deliver innovative features.
- Conducted code reviews, providing constructive feedback to maintain coding standards.
- Published **10+** apps to Apple and Google stores, optimizing for scalability and user engagement.

Senior Flutter Developer   *June 2022 – Present*
RASAN

- Supported a production Flutter application with **15,000+** daily active users and more than total **+4M** users by ensuring optimal performance and reliability.
- Migrated legacy features to Flutter, improving performance by over **80%**.
- Participated in architectural discussions, contributing innovative ideas to enhance application development processes.

Head Flutter Developer   *Jan 2022 – May 2022*
Dubisign

- Led architectural discussions and implemented industry best practices in app design.
- Collaborated with teams to translate business requirements into technical solutions.
- Supervised and mentored two developers, delivering **4+** projects on time and within scope.

Mobile App Developer (Flutter)   *Jul 2020 – Nov 2020*
Atma Tec

- Contributed to eCommerce applications, focusing on performance optimization and functionality.

Mobile App Developer (Flutter)   *Jun 2019 – Sep 2019*
Progmine

- Developed foundational Flutter applications, laying the groundwork for a successful development career.

Key Projects

Tameeni: +4M downloads ([Play Store](), [App Store](), [App Gallery]())
Ali Sadek: +200K downloads ([Play Store](), [App Store]())
Click: +50K downloads ([Play Store]())
AwalMazad: +3K downloads ([Play Store](), [App Store]())
Salek: +5K downloads ([Play Store](), [App Store](), [App Gallery]())
Waradly: +2K downloads ([Play Store](), [App Store]())

Additional projects include *Rouge*, *Altaj e-Learning*, *Pharamsina*, *Go Halal*, *PAW App*, *Mutawef*, *Basmit Moqim*, and more. Full list available upon request.

Skills

Technical Skills

- Proficient in **Flutter** and **Dart**, with a strong focus on performance and responsiveness.
- Expertise in **RESTful APIs** integration and mobile app architecture (MVVM, Clean Architecture).
- Strong knowledge of **state management frameworks** (Bloc, GetX, Provider,..etc).
- Experience with **Agile methodologies**, version control tools like **Git**, and collaboration tools like **Azure**, **Jira**.
- Hands-on experience with **video/audio calls**, **real-time chatting**, and **offline data storage** solutions.

Soft Skills

- Leadership and mentoring capabilities to foster team growth.
- Effective communication and collaboration in cross-functional settings.
- Analytical and problem-solving abilities to troubleshoot and optimize applications.

Education

Masters in computer science   *Nov 2023 – Present*
Mansoura University

Bachelors in engineering   *Sep 2015 – Jul 2020*
Mansoura University

Android Development Intern   *Jul 2018 – Sep 2018*
ITI (Information Technology Institute)

Certifications & Training

- **Build Native Mobile Apps with Flutter** (Google)

- **Android Intern** (iTi, July 2018)
